RE: Request Intermunicipal Liquor License Transfer  
My Client: Sarat, LLC  
Site Location: 530 Pembroke Road, Bethlehem, PA 18018

Dear Ms. Kelchner:

Please consider this correspondence as my client's request for an intermunicipal transfer of liquor license into the City of Bethlehem at the above location, pursuant to 47 P.S. § 4-461(b.3). Under this statute, please note that a public hearing (duly advertised) must be held by the municipal governing body for the purpose of receiving comments and recommendations of interested individuals residing within the municipality relative to my client's application. In addition, the City Council must render a decision within 45 days of the request. In my experience before your Honorable Council, the hearings have been conducted at a legislative forum to ascertain whether moving the license into the City at a particular location would adversely affect the welfare, health, peace and morals of the municipality. Typically, the hearings have not been specially listed at their own times, but have been specially listed agenda items of regular City business. Further, the hearings have been conducted as the first order of business.

The proposed site is located at 530 Pembroke Road, Bethlehem, and I welcome the City Council to review zoning records in this regard. City Council already had approved this site for an intermunicipal request; however, that transaction fell through. My client currently operates a family dining restaurant at the site known as Adagio. In addition, should you have any questions, concerns, or would like a summary of my client's proposal (which we intend to present at the hearing with plans), please do not hesitate to contact me. Lastly, attached is a copy of the proposed Resolution approving the transfer.

As requested, I have enclosed this firm's check in the amount of \$200.00 representing the required fee. As you may know, the Pennsylvania Liquor Control Board recently instituted a new online filing system called PLCB+. With this system, there are no paper applications and all filings are done online. One of the "glitches" with the new PLCB+ is that print outs of filed applications are not available. Accordingly, we are unable to provide a copy of the proposed Transfer Application to be submitted to the Pennsylvania Liquor Control Board.

In an effort to provide the information which would be furnished on the Transfer Application, please be advised as follows:

Entity purchasing the liquor license: Sarat, LLC  
Date of Organization: November 19, 2015  
Sole member: Rachel Iola Spagnola  
Home Address: 895 Macada Road, Bethlehem, PA 18016  
Date of Birth: March 18, 1976  
Place of Birth: Allentown, PA  
Proposed Manager: To be determined

Additional information regarding the applicant will be provided upon request. Please advise me when my client's request is scheduled to be heard by Bethlehem City Council.

Thank you for your time and consideration.

Respectfully,

THEODORE J. ZELLER III
