Re: Resolution for the Redevelopment Assistance Capital Program – Ben Franklin Technology Partners Northeastern Pennsylvania

I would like to request that the attached resolution be placed on the upcoming City Council agenda for consideration.

Ben Franklin Technology Partners Northeastern Pennsylvania (BFTP) was recently awarded a \$1.5 million RACP grant to expand their facility.

The Mayor received notification on September 29th, 2016 that \$1.5 million in RACP funding has been approved for the BFTP project and he replied with an acceptance letter on October 14th, 2016. The attached resolution will have to be adopted by City Council in order to proceed with the administration of this grant.
