#### 1702.01 SCHEDULE OF FEES.

Delete Section 401.2.a of the Pennsylvania Uniform Construction Code and insert the following:

**(a) Building Permit Fees**

(1) Type 1, 2, & 3 Construction

For inspection of each building classified as Type 1, 2 & 3 construction, the fee shall be one hundred fifty dollars (\$150.00) for areas up to and including five hundred (500) square feet. For areas in excess of five hundred (500) square feet of floor area the fee shall be one hundred fifty dollars (\$150.00), plus fifteen cents (\$0.15) per square foot after 500 Square feet of floor area.

(2) Type 4 & 5 Construction (Frame - Section 605.0 and 606.0)

For the inspection of each building classified as type 4 and 5 construction the fee shall be one hundred twenty five dollars (\$125.00) up to and including five hundred (500) square feet of floor area. For areas in excess of five hundred (500) square feet of floor areas the fee shall be one hundred twenty five dollars (\$125.00) plus twenty cents (\$0.20) per square foot after 500 Square feet of floor area.

(3) Computation of Floor Area

In computing fees, a story higher than eighteen (18) feet and not more than thirty (30) feet shall be considered two (2) stories; a story higher than thirty (30) feet and no more than forty (40) feet shall be considered three (3) stories; except for one (1) story industrial uses (use Group F). The square foot area shall be based on outside dimensions of the structure. All floor area shall be calculated on the square foot basis except those areas with ceiling heights under five (5) feet, or crawl spaces.

(4) For the inspection of buildings for which application is made for repairs or alterations, the fee shall be fifty dollars (\$50.00) for the first five thousand dollars (\$5,000) of estimated cost of construction. For estimated construction costs which exceed five thousand dollars (\$5,000), the fee charged shall be 1% up to \$500,000 cost of work plus .2% of cost of work over \$500,000.00.

(5) The building official shall have the right to verify or correct the estimated value of any proposed building, structure, addition or alteration.

(6) Demolition

The permit fee for all buildings or structures shall be one hundred dollars (\$100.00) for the first two thousand (2,000) square feet of floor area, plus ten dollars (\$10.00) for each additional one thousand (1,000) square feet of floor area or fraction thereof.

(7) Moving Buildings

A permit shall be granted for the moving of a building upon payment of a fee of two hundred dollars (\$200.00) for a dwelling or larger building and a fee of one hundred dollars (\$100.00) shall be added for each day a street, road, alley, or lane is occupied by a building or moving equipment. In addition, thereto, a permit shall be secured for the structure at the new location in accord with the permit fee schedule established for new construction.

(8) Roof Replacement

For replacement of roofing material of residential single-family dwellings and appurtenant structures the permit fee shall be \$35.00.

For all other roofing permits the fee shall be fifty dollars (\$50.00) for the first two thousand (2,000) square feet and ten dollars (\$10.00) for each additional one thousand (1,000) square feet of roof area.

(9) Swimming Pools
