The Look Of Slate At A Fraction Of The Cost

NOTE: This cut sheet accompanies item #3.

“**Y**our house is a unique work of art. Every detail paints its canvas, from the pops of color in the garden to the lines and tones of your roof. With their sophisticated slate look, Slateline[®] Lifetime Designer Shingles provide that extra something special—the perfect finishing touch on an inviting showcase you’re proud to call home.”

The GAF logo is a red square with the letters "GAF" in white, positioned in the top left corner of the advertisement. The background of the entire advertisement is a close-up, high-angle view of dark blue, textured asphalt shingles, with a central horizontal band of a slightly lighter blue color containing the main text.

GAF

*The sophisticated, dimensional design of
Slateline® Shingles brings the timeless look
of slate to your home*

FACT:

Your roof can represent up to 40% of your home's "curb appeal." Make it count!

Maximizing your home's "visual appeal" with Value Collection Lifetime Designer Shingles from GAF can be exciting, fun—and a smart investment.

With bold shadow lines and tapered cutouts creating the striking appearance of depth and dimension, Slateline® Shingles offer the look of expensive roofing slate. And for only pennies-a-day more than standard architectural shingles. They're also backed by a Lifetime Ltd. warranty* from GAF, North America's largest roofing manufacturer.

Slateline's custom color palette is designed to accentuate the shingle's natural appeal, enhancing your home's exterior and giving it unexpected depth and beauty.

So your roof will not only last—it'll be the talk of the neighborhood!

* See GAF Shingle & Accessory Ltd. Warranty for complete coverage and restrictions. The word "Lifetime" refers to the length of coverage provided by the GAF Shingle & Accessory Ltd. Warranty and means as long as the original individual owner(s) of a single-family detached residence (or the second owner(s) in certain circumstances) owns the property where the shingles are installed. For owners/structures not meeting the above criteria, Lifetime coverage is not applicable.
